Domains: Fintech · Digital Banking · E-commerce · Live Commerce · Consumer IoT

Languages: English · Korean

PROFESSIONAL EXPERIENCE

Design Strategy Lead / UX Consultant (Freelance)

05/2023 – Present

Independent Contractor · Seoul / Munich

Design strategy and product design consulting for startups and public-sector clients, with a focus on AI-assisted design practice.

- Led design strategy and end-to-end experience design for a public-sector education programme, defining the vision and user journey across digital, print, and on-site touchpoints.
- Mentor startup product teams on design strategy and lecture on UX and product design at Konkuk University Business School.

Senior Manager, Live Commerce UX

01/2021 – 04/2023

Coupang · Coupang Media Group, Seoul

- Set UX strategy, framework, and research direction for Coupang's live and VOD commerce platform across customer, creator, and vendor apps.
- Led and mentored a cross-functional team of designers and a researcher, partnering with product and engineering leadership.
- **+14% purchase conversion (CVR)** and a 10pp drop in viewer drop-off through real-time engagement and purchase experiences.
- Owned UX for Coupang video advertising.

Senior Product UX Design Manager

10/2018 – 12/2020

HSBC · Retail Banking & Wealth Management, Hong Kong

- Led UX and design strategy for a straight-through digital account-opening product across Asia Pacific, partnering with cross-functional and regional stakeholders.
- Directed a dual-market onboarding strategy unifying Hong Kong and mainland China regulations into one coherent product experience, embedded within WeChat.

UX Strategist & Design Lead

09/2014 – 09/2018

Samsung Card · UX Team, Seoul

- Set UX strategy and led the Samsung Card homepage renewal, simplifying a dense information architecture into one-click access with personalised content: **+25% conversion and +12% click-through**.
- Defined UX strategy for e-commerce and new financial services, including Direct Auto, the first credit-card car-financing service in Korea.
- Established UX standards and governance for Samsung Card's digital services.

Founding Member, UX Lab → Design Strategist

01/2004 – 08/2014

LG Electronics · Design Center (UX Lab, Design Management, Home Entertainment, Corporate Design)

- Set the design vision and UX for LG's first all-in-one smart-home IoT app (fridges, washers, vacuums, TVs) launched at CES 2014, plus robotic-vacuum UX and a home-robot prototype.
- Founded the UX Lab's strategy, roles, and core UX process; built corporate UX identity and design governance.
- Set UX/GUI standards across a 500-person design organization, delivering a **50%+ efficiency gain** and establishing the company-wide Design Core Process.

EDUCATION

Master of Science & Bachelor of Science, Industrial Design · *KAIST (Korea Advanced Institute of Science and Technology)*

2002 / 2004

SIS International High School, Hong Kong

1997

PATENTS & PORTFOLIO

- Two US patents: cleaning device control (US 20160278593 A1) and image-information projection control (US 20170295406 A1).
- Design strategy and product case studies (Coupang Live, Samsung Card, AI design-system project) with problem, strategy, prototype, and measured outcome at dkmakes.com
